

Kennedy At BYU Wednesday

By John Appar
Universe Feature Editor
 Democratic presidential hopeful Senator Robert F. Kennedy is the barnstorming candidate of the Western states to BYU campus Wednesday. Senator Kennedy will arrive via private jet airliner at the airport at 12 noon and address the BYU student body at 1 p.m. in the Smith Fieldhouse for the Senator's visit, first ever to this campus, announced jointly by the Democrats and the

ASBYU Academics office. The junior Senator from New York announced his candidacy for the Democratic presidential nomination on March 16 in the same Senate caucus room his brother made a similar announcement en route to the nomination in 1960. In his Washington statement Senator Kennedy described President Johnson's Vietnam policy as "catastrophic." He also gave his reason for joining the campaign: "... I am convinced that this country is on a perilous course and I have such strong

feeling about what must be done that I am obliged to do all I can." Senator Kennedy opened the speech-making part of campaign in California on Saturday. He told a San Francisco airport audience that the nation's most populous state "... is the key to what happens across the country." The latest California polls show the former Attorney General leading the race for the winner-take-all primary in a three-man contest also involving President

Sunshine filled the Smith Fieldhouse Friday night at "Sunshine 'a Soalan'" and set on four winning Songfest groups: Japanese

Club, 71st Ward, 23rd Ward and Chi Triellas.

The Japanese Club won the first place trophy with its rendition of "Yamato No Sakara." 71st Ward placed second with "Feelin' Good" and 23rd Ward was third with "Sun Child." Chi Tri won the audience appeal award.

MUSIC DEBATE

A musical debate between the religion faculty and the football team spiced intermission.

The religion faculty—represented by Dr. Hyrum Andrus, Dr. H. Don Peterson, Dr. Ellis Rasmussen and Ivan J. Berrett—under the name "Professors Four, or the Off-Pros," strolled on stage

winners of the 1968 Vera Hink Mayhew Short Story Contest announced last week by Dr. F. Larson, chairman of English Department Writing office. First place honors went to Robert Morris for his story, "Now For Ba Chan." Morris, an Asian Studies major from n, will receive \$250. Second place winner (\$125) Russell K. Tolman for "Ses Child," third place (\$75)

Helen Walker for "Beautiful Canyon" and fourth place (\$50) Alan A. Enke for "The Trail."

The other eight finalists were Pamela Burrell, Karen Elaine Jaehne, Lynn Paul Ballard, Kathryn L. Bush, Roger K. Williams, Donna La Valley, Royal Skousen and Stephen Gould.

The 12 finalists were selected from 45 short story manuscript entries.

The contest was established by Wayne E. Mayhew in 1964 in honor of his wife, a former BYU

student. The purpose of the contest is to encourage the writing of fiction among students.

The prize money of \$500 is divided among the winners each year. "It is one of the finest college short story contests in the country," states Dr. Larson.

The winning stories were selected by five judges: Douglas H. Thayer of the English Dept., who headed the judging committee; Jack Nelson, Communications Dept.; Elouise Bell, English Dept. and editor of "Western Humanities Review" and novelist

Ruth Partridge of Provo.

Prof. Thayer states that the judges were impressed with the number of very good stories this year and felt that several of them were of professional quality.

The winning stories will be published in the spring issue of the *Wye Magazine* and the prizes will be awarded to the winners at the English Majors Awards Banquet in May.

Students who entered the contest may pick up their manuscripts in Dean Bruce B. Clark's office, A-129 Jesse Knight Bldg.

BYU Bishops day is scheduled for April 4. Prior to conference each year Bishops descend on BYU for the day of visits with students of their home wards. Approximately 2500 are expected to attend this year.

A special assembly featuring the ballroom dance team will precede a question and answer period with students.

The grapevine indicated the Universe should remain free of controversy on the fourth to present a peaceful image.

President McKay received the Exemplary Manhood Award from the Associated Men Students of BYU last week. The award was presented privately to President McKay in his apartment by Bill Coles, president of the AMS.

EXPRESSES AFFECTION

In accepting the award, President McKay expressed his affection for the students at BYU. He said his affection developed before his marriage when he attended BYU.

Policy concerning the broadcast of the Priesthood session of the General Conference has been changed. Previously only closed circuit broadcasts have been used. KSL will now carry the broadcast to the local area. Closed circuit will still be used throughout the rest of the country.

Visitors to Temple Square are to be greeted by a new sight. Six new trees 80 feet high have been added to the patio side of the Visitors Center.

THIRD WARD CHAMPS

The BYU Third Ward took the College Division in the All Church Basketball Tournament which ended March 15. Their winning game was between the University Sixth Ward of the University of Utah with a total score of 87-71. Good show brethren.

Dedication of the new Pavilion at the HemisFair '68 is scheduled for April 10. President Hugh B. Brown will dedicate the building at a 10 a.m. ceremony in the Pavilion Theatre. Attendance at the dedication will be by invitation. General authorities, civic leaders, and the Texas Stake Presidents will be in attendance for the ceremonies.

BYU ABROAD

Traveling seems to get in the blood of church members. Three groups are going to Europe from BYU. March 20 saw the USO group leaving to present Bye Bye Birdie throughout Europe. The group will return early in June.

The A Cappella Choir and International Folk Dancers have scheduled tours for the summer months.

The choir will present shows in over 20 cities throughout the continent. Folk Dancing Festivals in ten countries will host the Folk Dancers.

SHOW DOWN

BYU is noted for friendly coeds. This is amply proven by the tradition of inviting the undernourished male population to Sunday dinner. Many guys on this campus need looking after. This week the coeds of BYU should be saluted. Keep up the good work sisters.

'UUed' Block Y White Again

We tip our hats in congratulatory thanks to the IK's and the two ASBYU office candidates who were conscientious enough to climb the mountain to repair our "Y."

It seems that every year while Class "p" basketball playoffs are held in our fieldhouse, our block "Y" gets a visit from those obsessed with the symbol "U."

In our estimation it is more than coincidental that the "Y" should be "UUed" the past two years at this time.

Especially when two high schools happen to have the initial "U" in their name.

We don't wish to point the finger of suspicion to any institution. If anyone is to blame it is our own security measures.

Those groups on campus who claim to have special interests and feelings for good culture might take some time out of their

pressing social schedule to act as during this particular week.

With the way the student body allocates money for ventures in behalf of spirit, they might divert some funds care and upkeep of the "Y."

We appreciate the efforts and demonstrated by the IK's and accompanying guests on Saturday.

We hope in the future these summing hours can be spared through use of more prudent preventative measures.

We hope the student representatives as well as special interest groups will make the effort to preserve those things having meaning to this campus and body.

Do we have the interest in this do this?

HATS OFF

Editor:
Hats off to the BYU Symphony Orchestra.

It is a singular honor that the Symphony Orchestra has been selected to perform at the National Music Educators Conference.

The orchestra's joint appearance with the Oratorio Choir in Wednesday's Spring Concert was a double triumph, with both

groups displaying mature artistry and refined musical expertise that would bring credit to any university.

The challenging work, "Façades," composed by Merrill Bradshaw by BYU, was presented as a repeat performance, and the orchestra's interpretive ability was clear.

We can be justly proud of this organization on the BYU campus and should extend our congratulations to them for their national recognition.

PASS THE BUCK

Editor:
In your editorial on Wednesday you said that the film "Anarchy U.S.A." failed to inform the public of the truth behind civil riots. You also said that the film tried to "pass the buck" to the community for originating and causing the civil rights movement.

I think the intent of the film was to waken the general public to a problem that is bigger than most people think. It showed to

me that if we don't take our own internal problems people are going to see elsewhere. This is what Communist movement victims: by promising the problem.

The blame for has ican movements is on the left people. We are the origin, and communist capitalizing on our law to the rights guarantee Americans. I think showed this point well.

Let's get busy and civil rights problem. Let's respect the rights one and have them respect

BYU Netters Cop Big Win

Returning home from its most successful pre-season tour in history Sunday was Coach Wayne Pearce and BYU's tennis team.

The Cougar netters wound up their seven matches on the road with a 6-1 record — the sole loss coming to top-ranked Southern California.

Saturday the BYU club stopped highly rated New Mexico, 6-3, and the day before disposed of third-ranked University of Arizona, 5-4.

Zdravko Mincek, Larry Hall, John Fort and Chuck Pate won singles matches and the combinations of George-Hall and Mincek-Pate were victorious in doubles competition against New Mexico Saturday.

Against Arizona Friday, Mincek pulled the big upset of the day when he defeated Wildcat star Dean Penero, 12-10, 10-6. It was

the first time a Cougar netter has ever beaten Penero.

Also turning in a big performance was Dave George. George was trailing in the set deciding match, 2-5, against Arizona's Mike Howard. But George rallied for an 8-6 win and this turned the tide to the Y.

Cougars Pate and Hall came on in the number three doubles to defeat Roger Felton and Eric Ebbel of Arizona, 4-6, 6-4, 6-4, to put the finishing touches on the big win.

"What I like about IBM is the autonomy. I run my department pretty much as though it were my own business."

"Tell some people you work for a big company and right away they picture rows of gray steel desks with everybody wearing identical neckties.

"Well, that's the stereotype. When you look at the reality, things are a lot different. (This is Gene Hodge, B.S.E.E., an IBM Manager in Development Engineering.)

"IBM has over 300 locations. They believe in decentralization, and they delegate the authority to go with it. To me, it's more like a lot of little companies than one big one.

"Take my own situation, for example. I act as a kind of entrepreneur for my department. I decide if we should bid on certain government contracts for my group. I also decide the proposal strategy and come up with all the facts we need to set a bid price. Of course, upper management reviews my decisions, but to a great extent I run my own show.

"Another thing that makes this like a small company is the close relationship with your boss. You're almost always hired by the manager you're going to report to. And you work for him on your own or in a small team. It's part of his job to know your long term goals and help you reach them.

"This same interest in the individual also shows up in IBM's educational programs. I'm getting my Master's now, and IBM's paying the entire cost, and some of the class time is on company time. It makes it a lot easier to get your advanced degree."

Gene's comments cover only a small part of the IBM story. For more facts, visit your campus placement office. Or send an outline of your career interests and educational background to E. C. McAdams is a well-known name back at State College, Penn., where the National Collegiate Athletic Association wrestling finals finished Saturday.

Russ and Mike McAdams, BYU's wrestling brothers, notched sterling performances to push the Cougar cause to the number 15 spot nationally. BYU ended the tournament with 21 points.

Mike McAdams, wrestling in the

130-lb. bracket placed third in that weight when he dethroned Oklahoma State's Dennis Crowe, 2-0, in overtime. Mike battled to the number three spot through a field of 37 entrants in that weight.

Russ McAdams at 145-lbs. placed fifth by defeating Wayne Carlson of Utah State 8-0. Russ was fourth in the NCAA meet last year at 137-lbs.

Both brothers claimed Western Athletic Conference championship

titles in their respective weight categories two weeks ago.

Four BYU wrestlers made it to the quarter-finals. Besides the two McAdams, 123-lb. Chuck Henry and WAC champion Howard Hall (152) won two matches before being eliminated by losses.

Commenting on the national meet Mike McAdams replied, "The team did real well. I guess I was the one who got the good breaks. We're looking forward to the NCAA finals at BYU next year."

Sophomore Mike McAdams entered the NCAA meet with a 12-5-1 record while brother Russ posted an over-all 19-9 tally. Hall held the best record of the BYU boys making the trip at 21-5-1. Henry was 13-5-1 going into the tourney.

UCLA Claims NCAA; Dayton Nabs

UCLA's awesome basketball team claimed their second straight national collegiate championship and fourth in five years by downing North Carolina 78-55 Saturday night.

Friday, the Bruins from Los Angeles caged college basketball's "player of the year," Elvin Hayes,

and romped past Houston on their way to the title.

UCLA's outstanding center Akcinder poured in 19 points and added 34 assists.

In NIT action, Dayton, Kansas a 61-48 loss to the National Invitation Tournament.

Cougar Baseball Team Fifth In Tournament

By Jack Bailey
Assistant Sports Editor

The spotlight went hot and cold on BYU's baseball team as they climaxed their California tour by splitting a doubleheader with Pittsburg and University of California at Riverside, Saturday.

UCLA claimed the tournament title for the second year in a row. Actually three teams (UCLA, Oregon and Riverside) tied for top spot with identical 5-2 records, but the Bruins slipped away with the gold trophy on the basis of "overall performance."

Mississippi State notched fourth spot at 4-3 while BYU took fifth with a 3-4 record.

As the final day of the Riverside National Collegiate Baseball Tour-

nament unfolded, the Cougars belted Pittsburg 8-3 in a morning game.

The tourney finale saw BYU drop a "hold your breath" cliff hanger to host Riverside 7-6.

ALL-TOURNAMENT TEAM

Outfielder Mike Knapp banged his second tourney homer against Riverside to tighten up the game, but BYU couldn't master the tying run. Knapp's overall performance allowed him a berth on the all-tournament team.

Coach Glen Tuckett in glancing back over the weeks action commented, "We played two bad games—against Kansas and Oregon. But the season is just fresh, and we made those early mistakes."

A Different Kind Of War

Vietnam War is the most conflict ever covered by press.

There are no fronts, no rear or secure sectors. Officially even a war; historically no official date when it did, nor is there a definite end like unconditional surrender used for its finish. There are no campaigns, glories, clear defeats as there in World Wars I and II and

NO CHIVALRY
There's certainly no chivalry here—the adversaries, few rules anyone's warfare.

There's no real censorship—and we're heard of a war without—on the allied side, but are "ground rules" which,

if violated, get the culprit either exiled by the South Vietnamese government, or excommunicated by the American Command.

NO FROSTBITE

There is every battle discomfort except frostbite—along with excellent french cooking, wine, television and hot water.

Every modern machine of war has been imported here, yet the fighting is something like spaceships the cavalry with ambushes, outposts attacks, atrocities, and bushwacking. So far no scalping have been reported, but there were reports of allied mercenaries being paid off for Viet Cong ears collected.

The reporter has planes and helicopters to put him into the battles quickly. He has a reinforced regiment of government bureaucrats, information officers, public affairs officers, spokesmen, escorts and

communicators to aid or deter and repress him, depending on the viewpoint—and then spends hours frantically and often futilely trying to transmit his story to the outside world.

NO SLOGANS

There are no patriotic songs or slogans in this war. The Navy which remembered "The Maine" in the Spanish-American War, would just as soon forget the Modoc which got involved in the Tonkin Gulf incident.

KENNEDY RALLY

WILL CALIFORNIA SURVIVE

WASHINGTON (UPI)—There is some reason to believe that Utah is gradually shoving California to the Pacific.
If this is so, there isn't much California, or even the U.S. Congress, can do about it.
It's the fault of the Wasatch Fault, an active earthquake region underlying Utah.

High Schoolers In Language Fair

"The World is Our Campus" became a reality at BYU Saturday when 3,000 Utah high school language students met to participate in the annual BYU Foreign Language Fair.

Activities began with testing which included reading, writing,

speaking, listening and comprehension. Top students from each participating school were selected by their teachers for the language testing program.

Students in French, Latin, German and Spanish conducted talent and skits which were presented

during the morning and judged on originality and presentation.

Other activities included oratory, poetry and language films throughout the day.

Students also visited displays which included foreign foods from French pastries to Mexican tacos.

The fair was climaxed with the presentation of certificates of achievement to all participating students. Those who achieved the highest in their respective languages were given applications for scholarships at BYU.

BUTTE ON THE SAN RAFAEL

... a recent donation to BYU from noted artist Dean Fawcett, this landscape of Southern Utah can be seen in C-502 of Harris Fine Arts Center.
